

## Sponsorship Certificate Program

Moe's loves supporting the community! You're making BIG MOVES in educational courses, schools, honor rolls, the arts, athletics programs, personally, physically or professionally, and we want to CELEBRATE YOU! It's what we do best (except for rolling burritos!). You have heard us *welcome you to Moe's*, so let us dish your favorite Moe's meal on us—most **valued at \$10**. No cost to your organization.

[Sponsorship Application](#)

*For example: If your organization recognizes a Teacher of the Month for each grade in elementary school (6), for 10 months of the year—ask for 60 certificates, and we'll send them your way at no cost.*

*That's a value of \$600 in meals you are providing for your staff!*

## Partner with Moe's!

Sponsorships are awarded on a first-come, first-serve basis to eligible organizations operating within 10 miles of any Moe's located on the map on our [ABOUT](#) page. Demonstrate how Moe's will be able to influence the local community for good. These sponsorships are based on certificate availability as they are pre-printed and readily available. Applications should include the following:

- The organization's name and type or affiliation
- A brief description of the program, time period, and/or project for which you are seeking certificates
- Who the program or project serves and why it is important
- How many certificates you plan to award
- Any collaborative opportunities to work with or recognize Moe's

## How it Works:

- **Plan.** Moe's requests a **month lead time** for distributing certificates. Do you have enough time to work with us? If so, figure out who or which achievements you want to celebrate or reward. How often do you want to award them?
- **Act.** Fill out the [Sponsorship Application](#) and share the details with us! Select the appropriate available certificates on the form and desired quantity.  
Available Certificates:
  - Teacher of the Month Certificate (value \$10)
  - Student of the Month (value \$10)
  - Athlete of the Game (value \$10)
  - Golden Burrito Award (value \$10)
  - Free Kids Meal (value of a kids' meal)
- **Wait.** This is a new program for us! Give [MoesCares@QualityFresca.com](mailto:MoesCares@QualityFresca.com) enough time to respond, approve/deny your application, and communicate next steps with you. You should receive confirmation of your application within 48 hours of submitting the request. If you need additional communication with us in the application window, please reply to that email. Applications will be approved on the first week of each month.
- **Receive.** Once your application is approved, we want to fill your order quickly and adequately. Please expect three (3) days for shipping once you receive approval.

Quality Fresca, LLC is a subsidiary of Quality Restaurant Group and operates 67 Moe's locations in multiple states. We are a hospitality-driven organization dedicated to our communities, creating opportunities, and providing QUALITY food and QUALITY service. Yeah...We make fun food and food fun!

629 Green Valley Rd., Ste. 302 Greensboro, NC 27408

- **Reward.** It's time to celebrate. Let your organization know how great they are performing, doing, teaching painting... you get the drift. Thanks for letting us participate in your celebration!

## Guidelines:

- Because certificate quantity is limited, partners who participate in local fundraisers (Taco Kit Fundraisers or Spirit Night Events) or the Catering Credit Program will be shown preference.
  - If your organization is not already participating in other Moe's Cares programs, just inquire about it at [www.MoesCares.com](http://www.MoesCares.com) and get involved today!
  - We'd love to partner with you even further, let's discuss catering discounts for regular catering activity!
- Moe's requires a month turnaround from the receipt of the application—the application window. When your request has been processed, you will hear from a program administrator via email that your certificates have shipped to the location as noted on the application form.
- Expect 3 days once you are notified that your certificates are in the mail.

Questions? Contact us at [MoesCares@QualityFresca.com](mailto:MoesCares@QualityFresca.com). We look forward to working with you 😊
